### **MySafety Cancellation Insurance**

The cancellation insurance is provided by MySafety AB, Finnish branch. All contents and terms related to the cancellation insurance are agreements between the customer and MySafety.

MySafety Cancellation Insurance reimburses all or part of the costs of your reservation if you are unable to use the accommodation. Compensation may be paid, for example, if the guest or a close relative suddenly falls ill, dies, or is injured in an accident, or if the public transport service used to travel to the accommodation does not operate according to the schedule announced in advance by the transport operator.

You can purchase the insurance when booking the accommodation. The insurance is valid from the moment of payment until you arrive at the accommodation, or at the latest until the accommodation period begins.

The insurance covers all persons whose accommodation booking was made together with the insurance purchase. If an insured person is unable to stay at the accommodation and another person participates in their place, the new participant will also be considered insured.

You can submit a claim at [www.mysafety.fi/vahinkoilmoitus](http://www.mysafety.fi/vahinkoilmoitus). For more information, please contact MySafety customer service at [www.mysafety.fi/asiakaspalvelu](http://www.mysafety.fi/asiakaspalvelu).

If a reservation is cancelled, the purchased insurance will also be cancelled provided that there are at least 7 days before the start of the reservation. If there are less than 7 days before the reservation begins, the insurance can no longer be cancelled and the payment will not be refunded. After cancellation, the insurance coverage ends. The insurance premium will be refunded to the customer together with the reservation payment (minus the cancellation fee). If the customer wishes to keep the insurance valid in order to file a claim, they must inform this at the time of cancellation.
